

Hello RICK

Welcome to the Triangle Vein Clinic Patient Portal. The Triangle Vein Clinic Patient Portal is a secure, online, valuable tool where information, materials, and services will become available securely to you through your online Patient Portal account. Additionally, you will have access to important information such as our hours of operation, practice policies, and directions to our location(s).

The first time you log in to the website you will be prompted to change your user name and create a new password. Below you will find your login information.

To access your patient portal please visit this website:

tvcnc.streamlinemdportal.com

Temporary User Name: NCNNVLVT

Temporary Password: 408424

If you are new to the practice, please click on the red circle in the right corner that states, "Click here to complete the Questionnaire".

Your address & demographic information is not able to be edited online. We will confirm and update your demographic information when you arrive in our office.

If you are unable to complete the patient questionnaire online prior to your visit, please arrive 30 minutes early for your scheduled appointment to complete this information in our office, otherwise please arrive 15 minutes prior to your scheduled appointment time.

We hope that you will find your Patient Portal to be a convenient way to access your private health information.

For any questions, please contact us at (919) 851-5055.

Your Patient Portal is not to be used in an emergency situation. If you have an emergency, please call 911 or go to your nearest emergency room.
